

Humbug Mountain Weavers and Spinners Guild

MAY-

We have been working on updating and reorganizing our library. With these goals in mind, we had a book and magazine donation, sale and exchange. Much fun was had reviewing books that hadn't been used in a long time and suggesting new books to add to the library.

JUNE –

We had our annual picnic at a member's home. This year we did eco-dying of silk scarves.

SEPT –

Our annual Open House with the announcement of the year's challenge which is to make something you have never done before.

An exciting outcome of the May meeting is the start of a general weaving study group. These casual get-togethers began in July and are happening once a month in members' homes or studios. The loose plan is to show and discuss work being done, to bring problems to the group for suggestions of solutions and to gain general support and encouragement. Already, there were 14 at the Sept. meeting!
