

Columbia Fibres Guild  
WEGO Report  
April 2020  
Anne Kramer

Columbia Fibres Guild WEGO rep Linda Frizzel is taking a 2-year leave from her duties, and Anne Kramer will be filling in. We were looking forward to a field trip to Knitted Witt dye works in Gresham, Oregon, but like many other activities it was cancelled. The guild conducted a Double Knitting class in February which was a lot of fun. Members are working on their guild Challenge project due in May. We borrowed from a WEGO discussion at the spring meeting last year and drew challenges from a bag so everyone's is a bit different. If we can't meet in May we will share our projects through the Guild Newsletter in May. We are all grateful to have many fiber projects to work on during this difficult time. We wish you all healthy and happiness.
