

Klamath Spinners and Weavers Guild

2020 Spring Report

November: The guild held a "how to warp front to back" Lots of interest with questions and One of our new members brought her table loom and was able to get it warped.

December: Fiber/yarn and cookie exchange. Members each brought either fiber or yarn to exchange and will bring back finished project in June.

January: The meeting was about basics of spinning, tools and techniques. The video that was planned couldn't be shown.

February: Sock blank dye day. About 15 people attended the dye day with some amazing creations.

March: Fiber Bingo. Members had a great time learning about the different breeds of sheep and fiber. Lots of fun give aways and had 2 new members join

April: Meeting cancelled
