## **BROOKINGS SPRING 2021**

No meetings were held except for November, 2020, and March, 2021.

The November meeting was centered around regrouping our small guild to get back to normal. We planned our holiday luncheon and tossed around the ideas of a challenge for the coming year and a fall retreat to reconnect with fellow fiber folks. Unfortunately, the holiday luncheon was postponed and further meetings were suspended.

March found our small group meeting and discussing the same items as in November. The retreat is taking shape and planning is underway for this event to occur in Fall, 2021. Members are also working on items to present at the holiday, 2021, luncheon. The theme for this challenge involves making something for a table. All options are open. Some members crochet, weave, spin, and/or knit, with all skills being accepted. It will be interesting to see the finished results.
