

## WeGO Grant

Salem Fiberarts Guild used the 2025 \$500 grant to fund three monthly guild programs.

September 13:

### **Pine Needle Basket Weaving**

Presenters: Marcia Graciosa & Linda Houton

Marcia and Linda brought several samples of their completed baskets, as well as supplies that are used for basket weaving - natural pine needles, dyed pine needles, various threads and base pieces. After their presentation, they invited us all to attend their weekly meeting at Center 50+ (Salem, Oregon Senior Center) where they meet weekly as a basket-weaving group.

SFG has already scheduled a basket weaving workshop for October - and has a wait list!

\$100

Saturday, October 11

### **Loom Maintenance and Repair**

Rob Mertz, from Eugene Textile Center

Rob will review the care of looms to keep them healthy for many years to come. He will also discuss common problems that can happen with looms and possible solutions. Members are invited to bring questions and even photos of an issue with your looms at home.

\$50.00

Saturday, November 15

### **Italian Textiles**

Karen Gelbard
