Columbia Fibres Guild

Fiber Friends meet weekly throughout the year at variety of sites including The Gorge Museum in Stevenson, public parks, and member's homes. They also demonstrate at the Hood River County Fair, Blossom Fest at the fair grounds, and getting ready for the Harvest Fest.

The Guild Challenge for 2025-2026 was to make a team project with each member of the team doing a separate part.

May: Planning for an advance spinning class with an ANWG grant. Unfortunately this had to be cancelled at the last minute.

June meeting was the Annual Fran Connelly Memorial Picnic at Toll Bridge Park. We had spinning, knitting, hand held loom, lots of great food, and a meeting.

We had a summer break from meetings, but continued demonstrations and gatherings.

September was great to see what everyone had done over the summer and folks who entered county fairs shared their work and ribbons!

October: Preparing for Harvest Fest in Hood River, Oct 24th and 25th. The guild has three spaces at no charge. Two will be for demos, one for vending.
